Class Period:

## Eddie Willner Oral History

### Listen:

1. What did Willner say the prisoners would eat to help with diarrhea?

---

2. Why was it so dangerous to work at the gasoline factory?  
What were the Americans doing?

---

3. Why was Willner's father murdered?

---

4. What were some of the things that made it difficult to escape?

---

5. When the guards asked why Willner was bandaged up, what did he say?

---

### Reflect:

1. How was hearing Eddie Willner tell his own story different from hearing your teacher talk about his life?

---

---

---

---

2. Why do you think the USHMM has tried to record so many oral histories from people who survived the Holocaust?

---

---

---

---

3. Write two things you wish you knew about Eddie Willner's life and what kind of primary source could give you that information.

---

---
